# PRESIDENT'S LETTER

It is with great excitement that we welcome you to the 58th Annual American Advertising Awards. This year, we're thrilled to present "The Rumble of the Century" as our theme, celebrating the remarkable talents within our advertising, marketing, and communications sectors. We eagerly anticipate honoring those whose creative brilliance has shone exceptionally in the past year.

Tracing our roots back to 1907, just before Oklahoma's admission to statehood, the AAF Oklahoma has long been a cornerstone of advertising excellence. Our journey from a humble direct mail competition in 1958 to the esteemed American Advertising Awards of today stands as a testament to our enduring commitment to recognizing creative genius.

This year, our local competition has drawn an impressive 1,008 entries from Oklahoma City, Tulsa, and Wichita Falls, further solidifying our reputation as one of the American Advertising Federation's most respected challenges.

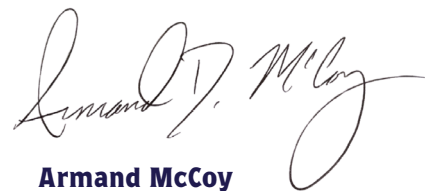

Victors awarded the gold ADDY will advance to the District 10 competition, where talents from Oklahoma, Texas, Arkansas, and Louisiana will

vie for the honor of proceeding to the National American Advertising Awards. This tiered competition not only showcases exceptional work but also embodies the creative spirit that thrives within our state and beyond.

We extend our deepest gratitude to Micah Moore, the dedicated American Advertising Awards Chair, Knox Studios for their creative sponsorship, Michele Boatman, our diligent Executive Director, and the many volunteers whose tireless efforts have been pivotal to our success. Their commitment ensures that this year's awards ceremony will be remembered as unparalleled.

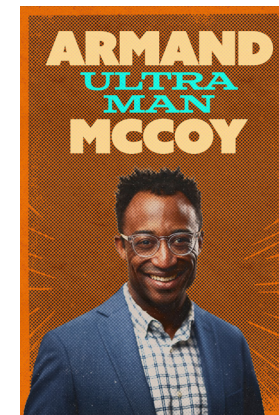

On behalf of AAF Oklahoma's Board of Directors, we thank our sponsors, members, and partners for their unwavering support of the Oklahoma City Advertising Club. Your contributions have a profound effect on our industry, empowering us to offer professional development, scholarships, public service projects, diversity initiatives, and advocacy efforts.

Congratulations to all our award winners. Let the celebrations commence!

## CHRIS WELLS

Associate Creative Director/Art

Chris is a true creative and conceptual thinker never deterred by creative challenges. Chris has more than 20 years of experience in Salt Lake City and working in places like Crowell Advertising, Love Communications and Saxton Horne.

## JOHN KREICBERGS

John Kreicbergs is a 24-year veteran of the Kansas City advertising, marketing and technology scene. Starting at Bernstein-Rein in 1999, he has served stints at Barkley, VML, DEG, and Meers Advertising, working with such brands as Burger King, Visit KC, Hostess Cakes, Blue Cross Blue Shield, McDonald's, and many more.

His passion for digital innovation brought him to Propaganda3 in 2013 where he started as the General Manager for the firm's mobile app development efforts before expanding that role to the rest of P3's service offerings, including website development and content marketing. During his time with the firm, he helped launch KC's award-winning Boulevardia festival in 2014, led the creation of the mobile app for the American Century Celebrity Golf Championship in Lake Tahoe in 2017, and was part of the inaugural planning team for the city-wide art installation and celebration known as the Parade of Hearts in 2022, along with countless other initiatives.

In December of 2023, John left P3 to join Show-Me Organics, one of the market leaders in Missouri's rapidly growing medical and recreational cannabis industry. In his free time, John is a live music fanatic, actively volunteers to support community events such as Kansas City's annual THUNDERGONG! benefit for Steps of Faith Foundation hosted by Jason Sudeikis, and spending as much time possible with his wife, Sarah, and their two children.

## MIKE MCCORMICK

Still a writer at heart, Mike leads one of the most versatile and highly recognized creative teams in the region — winning for advertising, design, effectiveness and craft on any budget. His affinity for ignoring best practices began at Atlanta's Portfolio Center, and his work since has been awarded from St. Louis to the South of France. His leadership philosophy is summed up in three words: best idea wins. And never underestimating the power of agency culture.

While he's enjoyed stints at Austin's McGarrah Jessee and Chicago's Cramer-Krasselt, the bulk of his career has delightfully played out at Rodgers Townsend — an imaginative and resourceful small shop within one of the largest and most-awarded global networks.

VI Marketing and Branding

The patron saint of baby mamas has signed off for the very last time. That's right. Jerry Springer is now breaking up stripper fights in heaven. So, in Jerry's memory, we recommend buying your baby mama, or mama, a Mother's Day gift card from Renaissance Salon and Spa. To thank her for being a great mom...  
...or at least for not revealing your paternity on national television. With a Renaissance Gift Card, she'll choose from a variety of facials, manicures, pedicures, body massages, and hair services. And a Renaissance "Day of Beauty," is an immersive experience she'll never forget...  
...unless she gets amnesia and accidentally marries a horse.

CAMPAIGN

The patron saint of baby mamas has signed off for the very last time.  
 That's right. Jerry Springer is now breaking up stripper fights in heaven.  
 So, in Jerry's memory, we recommend buying your baby mama, or mama, a Mother's Day gift card from Renaissance Salon and Spa.  
 To thank her for being a great mom...  
 ...or at least for not revealing your paternity on national television.  
 With a Renaissance Gift Card, she'll choose from a variety of facials, manicures, pedicures, body massages, and hair services.  
 And a Renaissance "Day of Beauty," is an immersive experience she'll never forget...  
 ...unless she gets amnesia and accidentally marries a horse.  
 Call 751-8888 or click "Gift Cards" at SalonSpaRen.com to make sure this Mother's Day is all mama, no drama.  
 We just took a DNA test, turns out we're...  
 Renaissance Salon and Spa.

Hinrich's is a sleek, new restaurant concept coming to OKC. Whether you visit for a cocktail in the garden or join for a savory dinner with friends, Hinrich's is the place for you. Created by the team that developed Pisco Grill, the history and legacy of their brand lives on in this fresh Trans-Atlantic haunt.

You *could* sleep here tonight.

Or you could spend more time with sexy Abe Lincoln. You know, the one you've been having dreams about? Either stay up all night tossing and turning on an uncomfortable futon, or be whisked away into the night by the 16th president of the United States. He'll tenderly hold you in his arms as you gaze up at the night sky, in awe of its beauty and amazed at how their twinkle brings a gleam to your lover's eyes. Perhaps tonight he'll take you back to the White House and ask your advice on his next presidential address. Maybe he'll show you down to the wine cellar and ask you to pick out your favorite bottle for the evening.

Don't miss your date tonight.

Casper
